Alexandria, La.**

*(located on the Dean Lee Research &  
Extension Center property  
adjacent to LSU-A)*

## ***Hello Cattle Producers!***

Welcome again to the Bayou Classic Sale. It's our thirty-third. Thanks.

Cattle numbers around the nation have continued to slide and where the industry will be in the late 2020's is a major unknown. The slow pace of heifer retention does not help to increase cow numbers.

You ever feel you are in the right place at the right time? Maybe so? This year's consignors have brought you a bunch of "money makers" that can help improve your herd, whether purebred or commercial.

Brought yourself down to dat' BCS and see for yourself.

Pollettes will offer Louisiana strawberries and juniors will provide a Saturday lunch.

All are invited to the membership pre sale meal on Friday.

A handwritten signature in cursive script that reads "Ronnie Bardwell".

*Winner receives a  
\$2,000 credit  
towards the purchase of  
any animal in the  
2026 Louisiana Bayou  
Classic Sale.*

# **Louisiana's Bayou Classic Polled & Horned Hereford & F1 Sale**

## **Terms and Conditions**

### **Terms**

In order to purchase cattle this year, you must obtain a Buyer's Number before sale begins.

Cash or check. Each animal to be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until settlement has been made. Cattle must be picked up immediately following the sale. Each animal will be at purchasers' risk immediately after the animal is sold.

Registration Certificates of the animals will be transferred to the buyer at the seller's expense. All calves born before the sabggle will be registered by the seller. All calves born after the sale will be registered by the buyer.

Each buyer must be sure to give the clerk his proper name and address for making transfers. A.I. certificates will not be furnished by the seller on females carrying the service of non-owned A.I. sires.

### **EPDs**

The EDPs listed herein are as reported by the AHA and were accurate at press time. Consignors will not be responsible for changes in EPDs or if these cattle do not perform as indicated by their estimated EPDs.

**Hereford bulls born after January 1, 2011 must have a DNA profile recorded at the American Hereford Association before any progeny can be registered. It is the buyer responsibility to complete this procedure.**

## Health

All cattle selling will have interstate health charts required for shipping into other sections of the United States.

All females that are old enough are officially calfhood vaccinated.

Bulls older than 16 months of age will have a Breeding Soundness Exam (BSE) and bulls older than two years of age and non virgins will have been tested for Trichomoniasis.

## Announcements

Announcements at the sale ring by the owners or auctioneer concerning the cattle will take precedence over statements in the sale catalog.

All persons who attend the sale do so at their own risk, and the owners and the sale manager assumes no liability, legal or otherwise, for any accidents that may occur.

As representatives of the consignors, the Louisiana Polled Hereford Association has no responsibilities other than those involved in conducting the sale.

## EPD Abbreviations

Birth weight (BW); Weaning Weight (WW); Yearling Weight (YW); Material Milk (MM); Milk and Growth (M&G)

Rib Eye Area (REA); Rib Eye Area per hundred (REA/cwt); Back Fat (BF); Intramuscular Fat (IM)

Official Calfhood Vaccinated (OCV)

## Warning

Under Louisiana Law, a farm animal activity sponsor or farm animal professional is not liable for an injury to or the death of a participant in a farm animal activity resulting from the inherent risks of the farm animal activity, pursuant to R.S. 9:2795.1.

### ***Louisiana & Herefords***

- A nice young, bred heifer that should develop into a powerful cow. Granddaughter to Historic on the top side. Bottom side she traces back to Sir 33T. She should be very maternal with fertility bred into her.
- Was exposed to our young bull DJ 173D 1067 Grayson 2404 ET (44539053) from Dec. 1, 2025 to Feb. 1, 2026. Will confirm pregnancy on sale day. She is DNA and GE-EPD, homo-pulled and MD free.

- This guy is a really powerful bull. Direct son to Endure and out of our great donor 1067. We liked him so much we decided to use him this past spring and fall. He comes with experience. Full pigment on both eyes. Great length and bone. Very gentle and stays with the cows. DNA and GE-EPD tested. Homo-pulled and MD Free. Don't let this guy get away.

- All I can say is this guy is a meat wagon. Extremely thick, deep ribbed and plenty of bone. His calves should mash the scales down come weaning time. A grandson to Historic on the top side and Trust on the bottom side. His dam is our new donor cow who we have already had a great flush from. We did use him this past spring on a few of our cows, so he has experience. Very gentle and athletic. His full sister sold at this sale a couple of years ago and she was very well accepted. DNA and GE-EPD tested. Homo-pulled and MD free. Buy with confidence.

## *3 IVF Embryos*

- We are offering 3 IVF embryos on this breeding. The flush was performed by Trans Ova in Bryan, Texas. The recovery sheet will be provided. These embryos are stored at Integrated Breeders Services LLC in Hearne, Texas. The buyer would be responsible for all handling and shipping costs.
- We are very excited about the breeding. We are

expecting our first calf out of this breeding in spring 2026. This was 1505 first flush and she did great. Her calves have sold very well at this sale and wanted to offer these embryos as well.

2026 Louisiana's Bayou  
Classic Polled & Horned  
Hereford & F1 Sale.

*We couldn't have done it  
without you!*

For generations, farmers and ranchers have built their livelihoods on hand work, integrity, and stewardship of the land.

Craig Ray Hill understands that way of life –because agriculture isn't just business, it's legacy.

**Protect Your Land, Protect Your Legacy.**

**Serving Farmers & Ranchers**

## A Multi-Generational Legacy of Hereford Excellence

T&H Farms is proud to be a multi-generational Hereford cattle ranch built on faith, family, and hard work. Our journey began in 1961 with a clear vision: to raise quality Hereford cattle designed to thrive in the southern climate.

From the beginning, our focus has been on producing functional, dependable Hereford cattle that deliver performance and strong returns for our customers.

Today, our family remains dedicated to honoring the legacy established in 1961 while continually looking ahead to the future — committed to improvement, stewardship, and serving the next generation of cattle producers.
